

Sword of Fire, Armour of Light
Dominion Partnership Program

The Dominion Partnership Program is designed to facilitate an exchange of support between Sword of Fire, Armour of Light and persons who desire to assist the mission of Sword of Fire, Armour of Light.

Dominion Partners support the vision and dream that Sword of Fire has for the city of San Francisco, the San Francisco Bay Area and the Northern California Territory.

Dominion Partners recognize the critical importance of San Francisco and the Northern California Territory to this country politically, economically and socially.

Dominion Partners want to see the Spiritual Climate of San Francisco, the Bay Area and the Northern California Territory brought swiftly into the Will of God.

We encourage you to pray about actively being involved with Sword of Fire, Armour of Light through either our monthly partnership program or by the contribution of a one-time investment.

Rather than asking you to give to us financially with only our prayers in exchange, we want to contribute by making a deposit into your eternal future.

Romans 1: 11

“For I long to see you, that I may impart unto you some spiritual gift, to the end ye may be established;”

vs.12

“That is, that I may be comforted together with you by the mutual faith both of you and me.”

The desire of Sword of Fire, Armour of Light is that there may be a comforting together by the mutual faith of both parties working in congress as the Lord provides.

So rather than asking you to simply capitalize this ministry, we aim to impart Spiritual Gifts unto you with the intent of being comforted together with you by both our faiths.

Sword of Fire, Armour of Light has designed a Partnership Program of multi – level options and features for those who desire to participate in the culturing of The Kingdom of God in the Nor-Cal Territory.
