**Call for Fire**  
**For The Northern California Territory & Sword of Fire, Armour of Light**

Sword of Fire, Armour of Light has been given a mandate for the Nor-Cal Territory.

A mandate, according to Black's Law Dictionary, is:

“a command, order, or direction, written, or oral, which (a) court is authorized to give and (the) person is bound to obey. A judicial command or precept proceeding from a court or judicial officer, directing the proper officer to enforce a judgment, sentence, or decree.”

Sword of Fire, Armour of Light along w/Apostle Daryle D. Smith has received several commands from the Almighty God which constitute a mandate from which to operate.

**Joel 3: 9 – 10** - God commands us to sanctify warfare in this territory on the behalf of the Kingdom of God against the ancient principalities that have taken residence w/in this territory.

**Jeremiah 26: 2 – 6** - Furthermore, God commands us to speak to the cities within this territory to stave off the judgment of destruction.

**Jeremiah 51: 20** - Continually, God reveals to us that we have been selected as the instruments to enforce His Will. In addition, we have been given the power to execute that Will in this land.

Sword of Fire, Armour of Light now armed with this mandate turns to the Body of Christ to render prayer and intercessory assistance to us. We recognize that we need a company of Apostolic & Prophetic Believers if we are to successfully overthrow these entrenched forces of hell in our territory.

Within the next 12 months, Sword of Fire would like to enlist a company of 10,000 Prayer Warriors to participate with us as we engineer God's Will, Plans and Purposes for the Nor-Cal Territory.

A 12 month Campaign of Conference/Seminars has already been launched by Sword of Fire in the city of San Francisco, CA. the Epicenter of the Nor-Cal Territory.

Apostle Daryle D. Smith has called and enlisted the aid of Apostles and Prophets from all over the United States, whose purpose it will be to help us meet our objectives as we transition into a spiritual engine of war.

Among those who have agreed to assist in the work in this territory are the following:

Apostle Paula A. Price – Tulsa, OK  
Apostle Diane Clark – Jacksonville, FL  
Apostle Patrice Gordon - Nashville, TN  
Apostle Stephen Garner – Chicago, IL  
Apostle Stan Taylor – Goldsboro, N.C.  
Apostle Jeff Green – Modesto, CA.  
Apostle Vinny Gallagher – Pheonixville, PA  
Apostle Ivory Hopkins – Delaware  
Prophet Chris Sassone – Los Angeles, CA.  
Prophetess Debra Westbrook – Dallas, TX

A Prayer Force 10,000 strong is invaluable as a relentless battering ram against the stronghold of a confederated enemy which has been allowed to flourish in this territory unchallenged.

The first target to pray for is the City of San Francisco, CA. It is imperative that we fully understand this to be our Chief Aim.

Success or failure to liberate the Nor-Cal territory from Luciferian Domination, hinges upon the acknowledgement of the City of San Francisco as the strategic key to victory.

Below is a list of prayer points for strategic attack against the enemy:

- Pray for the Spirit of the Fear of the Lord to come forth over this territory with such intensity that every person will tremble at the Name of Jesus and at the Word of God.
- Pray for a greater thrust of miracles, signs, and wonders in this region and territory which will be clearly attributed to the Right Hand of The Almighty God thru His Apostles & Prophets assigned to this territory
- Pray for a powerful move of the Holy Ghost that will convince, convict and convert.
- Pray for reclamations; new Conversions and Salvation within the Nor-Cal territory. We seek a great release from heaven of The Kingdom of Truth, and

the ability for people to make decisions based on this truth alone without satanic or worldly interference.

- Pray that there would be a binding and a breaking of the power of the spirit of Jeroboam working in legitimate Christian leadership; the spirit of religious alternative systems operating from both w/in and w/out the Church to counter the work of Sword of Fire, Armour of Light; and to stifle the people of God with activities designed to control and manipulate their movements away from true centers of worship.
- Pray to neutralize all Satanic interference that operates and projects itself through Witchcraft and Occult means via human elements of peer pressure, the media, the fear of the media, and the projection & indoctrination of false images & lies.
- Pray to loose the specific designs and assignments of Hell upon this Territory as well as the West Coast in general.
- Pray that the financial and political power base of the Children of Belial would be exposed; dried up and all funds diverted into the hands of the Apostles and Righteous Saints of God who would then use these funds to propagate and to advance the Kingdom of God in this territory.
- Pray for an increase in Apostolic & Prophetic Television Ministries coming forth in this territory and throughout the US. – The world needs the broadcast airing of sound Apostolic & Prophetic ministries which preach the Gospel of The Kingdom in Truth; confronting and engaging the Kingdoms of Deception, Apostasy, Religion & Pagan Lies.
- Pray for the release of a War – Chest of finances, capital, and resources – we are seeking and asking for the release of an innovative approach to be made known to us, additionally we seek spiritual boldness and an audacious faith.
- Pray that there will be no financial hindrances that would cripple our Church, its future & upcoming conferences/seminars/gatherings.
- Pray that our efforts through these up - coming conferences will generate momentum, that each will be more successful than the last. That each gathering will be likened unto the use of heavy artillery in this area.

- Pray for the release of Territorial Mobility for the conferences – Breaking the disinclination to travel into the City of San Francisco for a conference and Church Service.
- Pray that the Spirit of The Lord would move Sword of Fire, Armour of Light to have the right people to come at the right time. That the schedule and placement is logistically appropriate for the current season.
- Pray for the release of men, women, and families who are being restrained, that have been assigned to the ministry of Sword of Fire - that when they HEAR and SEE the message; then straightway they will act upon the leading of the Spirit and not be hindered, blocked, or deterred.
- Pray for righteous, wise and loyal War - Counselors to come forth to advise Sword of Fire in this warfare. Specifically, intercede for the other ministers, ministries, and network leaders that have been working along side us; we want ONLY those true Warrior alliances ordained by God to endure and be strengthened. Here are a few persons/groups that I'd like you to mention as you pray.
  - Iglesia de Cristo, Nuevo Pacto
  - Prophetess Ruth Brown
  - Shekinah Christian Fellowship
  - A.C.H.A.N.G.E Network Ministries Int'l
  - The IMPACT Int'l Network
- Pray to break the back of all spirits of jealousy, envy, and seething anger from one ministry against another – pray for unity, if it be possible, among the saints! If not unity, then at least understanding.
- Decree that a unified and targeted approach in prayer goes forward, for the spiritual disciplines of prayer, watching, fasting, and intercessions to increase.
- Proclaim, pray and declare also that the above-mentioned Spiritual Disciplines would become the staples and marks of the ministry of Sword of Fire & Apostle Daryle D. Smith
- Pray for a protective shielding against the backlash of the enemy launched against the ministry of Sword of Fire, its intercessors and their families, that they will be protected and will continue the work till victory is achieved.

- Pray for the Television and Media Ministries of Sword of Fire, Armour of Light (in San Francisco, Oakland, Berkeley, Santa Rosa, and in the entire Nor-Cal Territory on KTLN)
- Pray for Apostle Daryle’s family as they have already suffered casualties experiencing the personal loss of Ya’cad Qo’desh - Kohen Smith in this war. Apostle and his family refuse to relent or turn aside regardless of cost. Apostle Daryle is diligent to remind us that “failure is not an option.”
- Pray for spiritual wisdom, knowledge and understanding for Apostle Daryle, that The Holy Ghost will release the Spirit of Excellence; implement a greater depth of Fire, Power and Innovation; and that God will allow him to realize the integrative approach to the Preaching and Teaching Ministry he has so long sought for.
- Lastly, Sword of Fire has secured on a limited basis a location for its regularly held services. A room has been secured in a building on a recently removed Military Base (The Presidio). This building is widely used and is rented out to Satanists, Occultists and Pagans, and Homosexual Marriages are performed there regularly. When we came they didn’t want to do business with us. However, we would not back down. Pray that our contracts will be extended at least for the duration of 12 months. We desire this portal camp, we want this strategic coastal strong – hold as Sword of Fire’s Base of Operations for the launching of activities for the Kingdom of God.

It is critical that we invade the territory of our enemies with all Conquering Power and Strength.

Thank you in advance for your hearkening of this “Call for Fire.”
