

Revival Praying

A Word from God

If my people who are called by my name, will humble themselves and pray and seek my face, then I will hear from heaven, and forgive their sin and heal their land (2 Chronicles 7:14). Our only responsibility is the IF part, humbling ourselves, praying, seeking His face, and turning from sin, and the THEN part is all His – hearing, forgiving, cleansing, and healing.

Words of Explanation

What Is Revival?

Revival is defined in Rev. 2:4-5 – Return to your first love which you have left.

Revival is God getting me where I need to be so He can do what He wants to do.

Revival is God's people getting right with Him.

Revival is when God moves in power in His people, to bring them back to life from hard hearts, indifference, backsliding, and spiritual harlotry, to renew their first marriage vows to Jesus only.

Revival is a name we invented to explain what ought to be the normal Christian life.

Revival is God's answer to His people's desperate pleas that we are powerless to revive ourselves or others.

Revival praying involves brokenness and humility, and the confession of my personal sins and the sins of the church and the country that have separated us from God.

Revival is Biblical.

Revival is birthed in prayer and holiness, and it will continue until the prayer and holiness which birthed it is neglected in favor of the arm of flesh of man.

What is Spiritual Awakening?

When God so works in His people that we get contagious, and the world notices the Reviving One in action, in love, and in power in our lives, so that they want to rub lives with us to catch what we have –

When God's humbled, purified, Spirit-empowered church so lives the presence and priorities of God that the world takes notice –

When God's people get so on fire, that the unbelieving family and the world of lost people around us want to come see where the fire is –

When revived believers repent of their sins in the holy presence of God, make right what is wrong in the power of God, give priority to the purposes of God in prayer, testify of a passion for God by their revived lives living out His reviving Life.

What Is Evangelism?

Evangelism is the overflow, the results, when the revived church goes into the world by the Spirit of power, who opens blind eyes so that those in darkness come to the light of Jesus Christ, when He is lifted up.

Revival results in evangelism.

Unchurched people get saved in a mighty move of God. In the atmosphere of prayer, purification, and praise, God moves to redeem the lost world so that entire geographic areas are swept into the kingdom. If the harvest is His, then pray to the Lord of the Harvest as the Greatest Commission of all.
